

Agenda Item: 15-19 **Request for 30 day Waiver to Request Approval of Proposed Rules for Risk-Based Assessment and Corrective Action for Non-UST Petroleum Releases: 15A NCAC 2L Section.0500**

Explanation: The EMC, after considering the Petition during July10, 2014 meeting directed DWM staff begin the rule drafting process. An update on the progress was presented to the Committee January 7, 2015. The EMC, having considered this item previously, the 30 day waiver is reasonable.

Recommendation: Staff recommends the 30 day Waiver.
