Ms. Burleson:

I hope you are doing well. I was pleased to meet you at the EMC committee meetings a few weeks back. As I indicated at the time and in emails, I am working with Joyce Engineering , Inc. on a project for the North Carolina chapter of the National Waste and Recycling Association to monitor and provide assistance in the Periodic Review of Existing Rules.

The legislative committee of the chapter, that also deals with administrative rules and other regulatory issues, has reviewed the categories of the 15 NCAC 02D and 15 NCAC 02Q rules as published on the Office of Administrative Hearings' website. We concur with the categorizations of the rules as presented.

We look forward to a continued engagement with the Division as the rules move forward to the re-adoption stage.

Regards,

Allen Hardison  
Regulatory Consultant
